Continuing Education:
This course is approved by the AAVSB RACE to offer a total of 14.00 CE Credits (14.00 max) being available to any one veterinarian. This RACE approval is for the subject matter category of Medical program using the delivery method of Seminar/Lecture Lab/Wet Lab. This approval is valid in jurisdictions which recognize AAVSB RACE; however, participants are responsible for ascertaining each board’s CE requirements. RACE does not “accredit” or “endorse” or “certify” any program or person, nor does RACE approval validate the content of the program.
